*Initial Installed Thickness: TrueComfort blowing machine and 2-1/2-inch diameter x 100-foot internally corrugated blowing hose. Based upon 29.5 lb. package net weight. This product is designed to be installed using the TrueComfort blowing machine and accessory equipment. Product performance, including coverage, may vary if installed using different equipment.

Minnesota coverage on back

For Minnesota ONLY:

To maintain R-values at Winter Design Conditions in colder regions, install extra insulation in accordance with this chart.
