Bufftech is the only fence brand to offer CertainTeed’s proprietary ColorLast® fade protection.

ColorLast, a state-of-the-art formulation that provides superior protection from the harsh rays of the sun, guarantees that the color on our dark shades and stain blends won’t fade more than 4 Delta E (Hunter) units – which means any change in color will be nearly undetectable by the naked eye.

Bufftech textured fence comes in an array of complementary styles and colors that you can match to your personal taste. Our TrueTexture™ finish is molded from real wood, stone and stucco to deliver the most authentic look available today. Bufftech products are beautiful, durable, and easy to care for — all backed by a superior warranty and ColorLast® fade protection.
